Relationship to Applicant Supervisor

Please answer the questions below as indicated. Please be as thorough as possible.

1. How long have you known the applicant? Twelve years

2. Please describe the applicant's employment/volunteer and/or academic performance.

Over the last twelve years I have worked with Kenyona in different roles. In each role she has been kind, professional and helpful. For the last two years I have served as Kenyona's immediate supervisor. Her knowledge has been invaluable to my success as a Dean. She is a stellar employee that is dedicated to our students success. She concistenly goes above and beyond to complete not only her responsibilities, but also assists others in completing and guiding them through processes. Kenyona is efficient, detail-oriented, organized and extremely competent. She often successfully finishes a task well before the deadline.

Without a doubt I strongly believe Kenyona will be an excellent student in the GCU Master of Science in Clinical Health Counseling program.

3. Please describe the applicant's interpersonal skills and potential for developing effective helping relationships (provide specific examples).

While Kenyona's professional acumen is immensely valuable to Victor Valley College, she is also a wonderful human being. Kenyona is easy to get along with and has fostered many positive relationships with faculty and fellow staff. Kenyona is respected by her fellow employees across the campus. I personally admire Kenyona's skill to remain calm and not let the stress of a situation impact her negatively. Having her as a part of my office I rely on her to be my calming factor. She has patience and the ability to calm others and explain so they can understand and reduce their level of irritability. Her interpersonal skills are excellent and allow her to connect with all kinds of people. She has excellent rapport with people and treats students and faculty with respect.

I highly recommend Kenyona for any endeavor she seeks to pursue.
